

College at glance:

Infrastructure

Classrooms:

DYPSOM provides spacious, well-ventilated classrooms equipped by contemporary gazettes like LCD projectors, Computers and Wi-Fi internet connectivity.

Library:

A large sanctorum of knowledge with a wealth of books, e-books, national and international journals and publications. The library subscribes to a lot of literature from reputed Management Institutes. Students can also use the e-library to access the EBESCO and JGate e-journals from around the world.

Computer Labs:

The Computer center at IMED has the state-of-art facilities. It is fully equipped with latest softwares. It is backed by Windows 2003 and Linux server. It has more than 90 computers with latest configuration. It has internet connection with speed of 100 MBPS. The LCD projectors and printers are also made available to the faculty members and the students.

Seminar Hall;

The seminar hall at DYPSON having LCD projector, Computer and Sound Systems. The arrangement is specially made for video conferencing and webinar broadcasting. It is fully air conditioned with the seating capacity of more than 200 seats.

Hostel (Second Home):

At hostel students feel homely as all amenities are available for comfortable stay & appropriate for learning. There is a separate hostel for Girls and Boys with 24 hours security provision including dedicated nutritious Mess facility.

Cafeteria:

At DYPSOM, a large Cafeteria and Dining Hall in campus that caters to the needs of all students and staff. A special juice and milk-shake corner along with a confectionary centre are attached to the cafeteria. The cafeteria acts like a breeding ground for ideas for all the festivals, technical events and extra- curricular activities in campus and acts as a forum for students across institutes to interact and work with each other.

Sports (Indoor /Outdoor)

DYPSOM is not only known for its academic success but also for its high achievements in sports. It boasts of a world-class cricket ground that has been built to exacting standards of quality and precision. This ground plays host to a number of collegiate and inter-collegiate events and to a number of district and state league matches as well.
