

# **Report on Role Play Competition**

A **Role Play Competition** on the theme “**Human Rights**” was organized by **D.Y. Patil Institute of Management, Ambi** on 04th February, 2020 for MBA First Year Students.

**Purpose:** This competition is intended to inform the citizens about a particular issue that is important to the society & the nation as a whole.

## **Objective:**

1. Students will be able to demonstrate an awareness of the needs, rights, and feelings of others through participation in the planning and presentation of a human rights role-play.
2. Students will be able to enhance their knowledge with their creative streak and express their thoughts & opinions on human rights.

Human rights reflect the minimum standards necessary for people to live with dignity. Human rights give people the freedom to choose how they live, how they express themselves, and what kind of government they want to support, among many other things. Human rights also guarantee people the means necessary to satisfy their basic needs, such as food, housing, and education, so they can take full advantage of all opportunities. Finally, by guaranteeing life, liberty, equality, and security, human rights protect people against abuse by those who are more powerful.

## **According to the United Nations, human rights:**

“Ensure that a human being will be able to fully develop and use human qualities such as intelligence, talent, and conscience and satisfy his or her spiritual and other.”

Spreading Human Rights awareness among the common people in their language is vital for creating a culture of human rights. Unless people are aware about their human rights they cannot protect their rights or seek redressal when it is violated.

In this regard, our institute has taken an initiative for promoting human rights & Role Play competition was organized & students were motivated to participate in the competition.

The Role Play Competition was assessed on the basis of rubrics such as Participation in Preparation and Presentation, Presentation of Character, Achievement of Purpose, Use of Non-Verbal Cues & Imagination and Creativity. Winners & participants were awarded with trophies & certificates. This competition was organized & coordinated by Ms. Sunita Pawar with faculty members as Ms. Kshitija More & Ms. Saylee Karande.
