- School of Engineering & Technology consistently ranked in Times Engineering Institute Survey 2020 and 2021.
- Ranked 41th Top Engineering Colleges in India, ranked as 32nd Top Private Engineering Colleges in India and Ranked as Top 10 Engineering Colleges in West Zone at ALL INDIA RANKING.

D Y PATIL UNIVERSITY, PUNE

Since 1983, D Y Patil Group of Institutions is a leading group known amongst the top education institutions in India. 'D Y Patil University, Pune' was established vide Government of Maharashtra Act No. VI of 2019 and recognized by UGC, New Delhi, India.

D Y Patil Group of Institutions is founded to provide quality education and contribute towards the social responsibility. The foundation was laid by Hon'ble Dr D Y Patil in the year 1983 by starting the first engineering college in Navi Mumbai. Group began to grow exponentially in all the fields of education namely, Agriculture, Medical, Science, Engineering, Management, Design and many more. Under the leadership of father founder Padma Shri Dr D Y Patil group has more than 12 campuses across India those includes 7 Universities and more than 150 Institutes which are engaged in delivering education from KG to PG.

Our Journey

From 2006, at D Y Patil Technical Campus colleges namely **D Y Patil College of Engineering**, **D Y Patil School of Engineering Academy**, **D Y Patil Institute of Engineering and Technology**, **School of Pharmacy**, **Padmabhushan Vasantdada Patil College of Agriculture**, **D Y Patil Polytechnic**, **D Y Patil Institute of Management** and **D Y Patil School of Architecture** are successfully running UG and PG programmes which are approved by AICTE, MSBTE, PCI and COA wherein more than 7000 students are studying in the various programmes of campus.

Rich legacy and history of excellence spanning more than **13 years** have transformed D Y Patil University, Pune and continued to provide cutting-edge programs.

SCHOOL OF ENGINEERING AND TECHNOLOGY

School of Engineering & Technology is engaged creating the future leaders in engineering, science and technology. Our programmes are designed and delivered to build a foundation in engineering principles. Students are encouraged to collaborate across disciplines to apply skills to real-world problems.

At campus, student centric learning culture provides opportunities for learning and practicing. Engineering education is designed to understand 'how' things work and 'find' practical solutions with the use of scientific processes and application of theories. Students are made ready to play a role and perform functions as an engineer that is to design, evaluate, develop, test, modify, install, inspect and maintain a wide variety of products and systems.

ACHIEVEMENTS

- DYPU School of Engineering & Technology consistently ranked in Times Engineering Institute Survey 2020 and 2021
- Ranked 41 Top Engineering Colleges in India, ranked as 32 Top Private Engineering Colleges in India and Ranked as Top 10 Engineering Colleges in West Zone at ALL INIDA RANKING
- University Campus has received "Vanashree Award" as Green Campus by Government of Maharashtra and Ministry of Environment.
- D Y Patil University is awarded as University for Innovation in Global Collaborative Learning in 2021 at 19th World Education Summit.

VISION

To be a leading school for engineering and technology education that creates leaders, innovators and entrepreneurs through need based curricula, enriched academic delivery and industry partnership.

MISSION

- Provide quality and value based education that transform students through academic rigour
- Provide outcome based industry and socially relevant curriculum
- Develop the scientific, technology and research based approach
- Enhance the skills and competencies of students to pursue career in industry
- Provide innovation & entrepreneurship skills in new and emerging fields.
- Enhance industry-focused learning through academia and industry partnership
- Incorporate importance of service to the community and contribute towards social responsibility

HIGHLIGHTS

- B Tech, M Tech and PhD Programmes approved by AICTE
- Yearly renewed syllabus with support of industry for Choice Based Credit System and Multidisciplinary Education
- *Certifications explored with EdX, Course Era, NASSCOM, MOOCs, NPTEL and Swayam
- Freshman Orientation Programme, Finishing School, Competency Mapping - Behavioral Labs Boot Camp, Outreach, and Immersion Programmes for professional development
- Center for Academic Excellence for Industry 4.0 : Technical Education, Academic, Research and Innovation
- Blended Teaching of Online and Offline mode and use of Learning Management System (LMS)
- CIAP for providing career services, internship, live projects and final placement for students.
- Centre for Entrepreneurship, Innovation, and Incubation (CEII) to support Start-Up India
- MOU and partnership with leading Universities and Industry for academic, imparting technology joint research and techno-managerial development through guest lectures, seminars, conferences, on the job training, projects, and internships.
- Finishing School : 9 Student Clubs Readers' Club, Sport Club, Cultural Club, Photography Club, Film & Theater Club, Expressions Club, Social Media Club, Environmental Club and Outreach Club Residential Campus*

“Degree program B.Tech in Computer Science and IT offers skills of the future Big Data Analytics, Cloud & Cyber security Services, IoT, Artificial Intelligence and many other Digital Technologies required for Industry 4.0.”

Prof. Dr. Mininath Nighot

Computer & IT Engineering

B. Tech Programme Structure

- Basic Science Courses
- Engineering Science Courses including workshop, drawing, basics of electrical/mechanical/computer/automobile/information technology/electronics and telecommunication
- Professional Core Courses
- Professional Elective Courses relevant to chosen specialization/branch
- Open subjects – Electives from other technical and /or emerging areas
- Project work, seminar and internship in industry or professional organization
- Environmental Sciences, Induction training, Indian Constitution, Essence of Indian Traditional Knowledge

B.Tech | M. Tech Programme Structure

- Engineering Science Courses
 - Professional Core Courses with Lab
 - Professional Elective Courses
 - Project work in industry or elsewhere
-
- University offers facilities to motivate young generations through various possible resources and opportunities to instigate research based learning.
 - The industry collaboration, field study and industry-institute interaction opens up the means for experiential learning.
 - Project based learning methods helps in confidence building by understanding theoretical concepts and practical aspects.

* University has right to make the changes in branches/ programme structure / subject basket/ assessment / evaluation.

“ **B.Tech Program offers Core specialisations in all branches. Certifications* in current and future technology are part of the curriculum** ”

CENTRE FOR INDUSTRY & ACADEMIA PARTNERSHIP

Industry Partnership | Collaborations | MOU

Proximity to Indian Corporates in Mumbai and Pune University campus has become the “Seat of Education and Knowledge”. It is preferential education destination for students. Campus is equally distanced from both Pune and Mumbai. Due to which academicians, industry practitioners and industry from India's Financial Capital Mumbai are partnered and providing training, internship and placement.
