MASTERS IN ENVIRONMENTAL ARCHITECTURE 2019-2020

ORIENTATION WEEK

D Y PATIL SCHOOL OF ARCHITECTURE, AMBI started with its second batch of Masters in Environmental Architecture. The academic year commenced on 19th August 2019. The orientation week was planned from **19th Aug to 23rd Aug 2019** as a welcoming gesture to the students and an introduction to the course. This week started with introductions to the faculties, the course and the college. The college introduction was given by Dr Uma Jadhao, the principal of DYPSOA followed by Ar Swati Agashe, the HOD (Masters in Environmental architecture), who introduced the faculties and the course.

Ar Usha Rangrajan was a guest faculty on 21st Aug 2019. She presented her projects and inspired the students.

On 22nd Aug, a presentation by Ar Jagdish Taluri was arranged who was the senior architect on the Suzlon One Earth project in Hadapsar. This presentation was followed by a site visit to Suzlon One Earth. The orientation week ended with a lecture by Ar Gwash on 23rd Aug 2019.
